IN THE MATTER OF an appeal filed by Trevor and Cuyler Greene

Cite as: Greene v. Alberta (Environment and Sustainable Resource Development) 2015 APLAB 5

Facts

A Notice of Appeal was received by the Public Lands Appeal Board ("Board") on May 19, 2014 from the agent for the appellants, Mr. Ron Govenlock. The appeal is with respect to Grazing Lease No. GRL 38968. The appeal was assigned PLAB file number 14-0006. The appellant alleged that the Director erred in the determination of a material fact, erred in law, and under section 15 of the Public Lands Administration Regulation, the director was untimely in making a decision. The director defended his decision to remove the disposition from department records and order the appellants to not make use of the subject lands and to remove any private improvements. An interim decision was issued in relation to this file on November 28, 2014.

In consultation with the parties, a mediation was scheduled for February 25, 2015. The parties were encouraged to continue their own negotiations after to the mediation. The appellant contacted the Board by e-mail on April 22, 2015 and advised that the appellants and Director had reached an agreement and that the appellants wished to withdraw the appeal.

As this matter has been resolved between the parties and the appeals withdrawn, the Board discontinues its proceedings and closes its files in the matters.

Rationale for Discontinuance

As the Appellants have withdrawn their notice of appeal, and as the Board is satisfied that all issues relating to the appeals have been resolved in accordance section 123(8) of the Public Lands Act, the Public Lands Appeal Board discontinues its proceedings and closes its file for PLAB 14-0006.
